Stewards of the Long Voyage · rules reference

Each generation

1. **Growth:** draw a fresh hand (plays + bonus; keep cloned cards), pick growth A/B/C, gain credits.
2. **Commit:** choose plays (pay). Mark one as your **nominee**: 3 credits off (Commons free), fast, may become heir.
3. **Fast:** nominees resolve (plus house fast plays / fast innates), in the order each house chooses.
4. **Dusk:** resolve Discoveries earned before this Dusk (the Steward's house applies each in one section per board, or makes it a Breakthrough). Wall bonuses. The Elder's **Legacy** takes hold for the rest of the voyage, then the Elder's event **Collapses**.
5. **Day:** the Steward's **Reign**, then its event **Grows**.
6. **Dawn:** vote an heir from the nominees (tie: the house with fewer leaders on the conveyor, then the Steward's house). Only then draw the next event, tuck it under the heir, and **Seed**.
7. **Slow:** other plays and slow innates resolve.
8. **Time passes:** Dusk → Wall (its Breakthrough switches on for the rest of the game), Day → Dusk, Dawn → Day. Stand damaged pieces back up; clear Brace and Quarantine. Discard hands except clones.

Event actions (cards name section types)

Seed: +1 in each matching section on the Outer Hull or next to a /. **Grow:** +1 in each matching section with threat (a instead if it has 2+ Faults). **Collapse:** each matching section takes 1 + 2 + 3 damage (+1 , – /). 2+ damage places . The same damage hits (2 health each); surviving Crew then strike for 2 damage each.

Threat and damage

 health 1 · health 2 · health 3. Damage that doesn't destroy a piece tips it over (a Failure at 2 damage turns face down). A downgrade swaps a piece for the next smaller one, undamaged.

Your choices

A card's own guilds count toward its bonus, but every bonus needs at least one more element from another card, a track slot or the Wall. Venting and gathering are optional.

Decay

 comes from the pool. Each house loses 1 there. Decay where Decay already is cascades to a neighbor. Pool empty: flip Ship in Crisis. Empty again: lose.

Purpose and Understanding

Destroy a +1, a +2 . A full pool (6 per player) earns a Discovery. The destination sets how many Discoveries raise Understanding (3 with no destination).

Winning (at any moment)

I: no threat and no Decay · **II:** no threat · **III:** no Faults or Failures, plus the destination's Landfall requirement.

Losing

The event deck is empty at Dawn; the Decay pool runs out after the crisis flip; or any house has no influence.

Tokens

Brace X: prevent X damage · **Quarantine:** nothing seeds, vents or cascades in or out · **Patch:** skip next Grow · **Lockout:** skip next Seed · **Unrest:** +1 damage from every source · **Isolate:** negate damage at next Collapse.

Setup (2 players)

Boards A–B (pair layout). Decay pool 3 per player – 1; Purpose pool 6 per player; event deck 3 Stage I / 4 Stage II / 5 Stage III (Stage I on top). Draw the first event and a random Common leader into Day (the starting Steward belongs to no house), Seed, and begin.
