Generation Ship: rules reference

Each generation

1. **Growth:** draw a fresh hand (plays + bonus; keep cloned cards), pick growth A/B/C, gain credits.
2. **Commit:** choose plays (pay credits). Mark one as your **nominee**: 3 credits off (Commons free), fast, may become heir.
3. **Fast:** nominees resolve (plus house fast plays / fast innates), in the order each house chooses.
4. **Dusk:** resolve Discoveries earned before this Dusk (the Steward's house applies each in one section per board, or makes it a Breakthrough). Wall bonuses. The Elder's **Legacy**, then the Elder's event **Collapses**.
5. **Day:** the Steward's **Reign**, then its event **Grows**.
6. **Dawn:** vote an heir from the nominees (tie: the house with fewer leaders on the conveyor, then the Steward's house). Draw the next event, pair it, **Seed**.
7. **Slow:** other plays and slow innates resolve.
8. **Time passes:** Dusk → Wall (its Breakthrough switches on for the rest of the game), Day → Dusk, Dawn → Day. Clear damage, Brace, Quarantine. Discard hands except clones.

Event actions (cards name section types)

Seed: +1 Glitch in each matching section on the Outer Hull or next to a Fault/Failure. **Grow:** +1 Fault in each matching section with threat (Failure instead if it has 2+ Faults). **Collapse:** each matching section takes Glitch 1 + Fault 2 + Failure 3 damage (+1 Unrest, − Brace/Isolate). 2+ damage places Decay. The same damage hits Crew (2 health each). Surviving Crew deal 2 damage each.

Your choices

A card's own guilds count toward its bonus, but every bonus needs at least one more element from another card, a track slot or the Wall. Venting and gathering are optional.

Decay

Taken from the pool. Each house loses 1 influence there. Decay where Decay already is cascades to a neighbor. Pool empty: flip Ship in Crisis. Empty again: lose.

Purpose and Understanding

Destroy a Fault +1, a Failure +2 Purpose. A full pool (8 per player) earns a Discovery. Every 3 Discoveries raise Understanding.

Winning (at any moment)

I: no threat and no Decay · **II:** no threat · **III:** no Faults or Failures, plus the destination's Landfall requirement.

Losing

The event deck is empty at Dawn; the Decay pool runs out after the crisis flip; or any house has no influence.

Tokens

Brace X: prevent X damage · **Quarantine:** nothing seeds, vents or cascades in or out · **Patch:** skip next Grow · **Lockout:** skip next Seed · **Unrest:** +1 damage from every source · **Isolate:** negate damage at next Collapse.

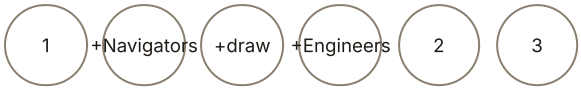

Setup (2 players)

Boards A–B. Decay pool 3 per player − 1; Purpose pool 8 per player; event deck 3 Stage I / 4 Stage II / 5 Stage III (Stage I on top). Draw the first event and a random Common leader into Dawn, Seed, then move them to Day.
